Frequently Asked Questions

Are scholarships awarded?

Scholarships are awarded annually at each level during Winter School. The winners are judged on motivation and dedication in all areas and will be awarded a scholarship covering full course fees only (not including RAD), to the following year's Winter School. Scholarships will be awarded on Friday 12 July. This will not alter Friday's scheduled classes. Senior 2 and Senior 3 scholarships entitle the students to participate in a week's training alongside the full-time students at NZSD.

Can I request a specific class allocation for my child?

Students working at the same level may request to be placed in the same class as another student for transportation reasons only. This request must be indicated on each students' application form. The School will endeavour to fulfil this request but offers no guarantee.

Can I observe my child in class?

Parents/guardians are not permitted to view classes from Monday to Thursday. There will be an Open Day on Friday 12 July, and parents are invited into the studio to observe classes from start to finish. A maximum of two people per student will be granted entry, and each student may have observers in two classes only. Pre booking is essential and can be made from Tuesday 9 July at the Winter School enrolment desk. Photographs and filming of these classes is prohibited.
